The St. Nicholas Cathedral Building Fund capital campaign is a fundraising effort for the years 2010 and 2011. We are asking you to consider a pledge amount to gift each year for two years (2010 and 2011). The total amount gifted over the two years will determine the gifting level achieved for the capital campaign. As an example; a gift of \$500 in 2010 and a gift of \$500 in 2011 will be counted as a total gift of \$1,000, thereby achieving the level of Tree Donor for the capital campaign.
